Dear Brad:

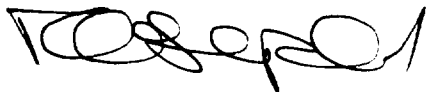

Re: Third Work Plan Supplement
 Manville Remediation Site
 Waukegan, Illinois

We have enclosed two copies of the "Third Work Plan Supplement" for the Manville Waukegan, Illinois Site. We believe the Work Plan correctly reflects concepts discussed with you by Manville representatives during recent Site visits. We anticipate that Site work can begin within seven days of receipt of USEPA written approval of the "Third Work Plan Supplement".

Please call if you have any comments or questions.

Yours truly,

CONESTOGA-ROVERS & ASSOCIATES
